Subject: RE: [EXTERNAL] Agenda for Aerojet tech meetings 21 March (and 22 March if needed)

Chris,

Mark got a list of gw topics from the EPA today. He's going to polish them a bit and send to me tomorrow, for placement in the draft agenda.

For scheduling purposes though, the current plan for next Wednesday (3/21) is:

8:30 to 13:00: GW OU's
13:00 to 17:00: Area 40 (your topics)

One question, will you be covering the OU-3 and OU-5 protectiveness determination in the afternoon?

Thanks,

Peter Kvam

Hello, Chris and Mark.

Could you please send us a draft agenda for the upcoming tech meetings so we can plan our time and invite appropriate consultants?

Thank you,
Lynn
